

DESIGN → BUILD → INTEGRATE

Seasoning Powder Feeders

Controls and measures ingredient dispensing with seasoning auger and seasoning hopper extension

Product Description

- Specifically designed for operation in USDA facilities and meets Kosher requirements
- All stainless components are provided in satin (buffed) finish. Included in the feed hopper is a built-in positive agitator to eliminate product bridging
- Unit is furnished with stainless steel feed hopper with drop bottom door, built-in agitator, nylon seasoning auger, seasoning hopper extension, stainless steel auger tube, safety switches, low level sensor and variable speed 3/4 HP AC wash down duty motor
- All components in contact with seasoning can be disassembled for ease of sanitation and maintenance
