

Dust Removal Cleaning System

Remove any dust and loose debris as well as any material that could be dislodged before the product process begins

Product Description

- Cleaning cycle time can be adjusted with Allen Bradley panel view touch screen
- Oscillating high velocity air nozzles positioned to loosen debris
- Static neutralizing system ensures loose particles do not stick to the fixture
- Dust drawer provides for easy debris removal and cleaning
- "In and Out" design system with pneumatically operated entry and exit doors
