

Seasoning Tumbler with Oil Spray System

Three nozzle liquid applicator evenly and continuously applies oil

Product Description

- Stainless steel spray applicator and tumbler
- The oil applicator is "airless" style. Using compressed air, the nozzles turn on and off but the compressed air never mixes with the liquid being applied
- Pump will draw liquid from the reservoir tank
- Intergrated controls for precision process flow
- Compressed air requirements are clean, dry air at 40-60 psi with a maximum 2 SCFM requirement
